## put it in the cart

The Neighborhood improvement grant which we received from KAB/UPS was kicked off in November. Since that time Cheryl has been keeping track of who in West Meadowbrook and in Hopkins Park has been recycling on a regular basis by keeping a spread sheet. Cheryl and Susan started the incentive part of the grant by drawing names from the recyclers and going out and delivering \$10 gift cards from Wal-Mart or Target.. (We feel like we work for Publisher's Clearing House.) People love the cards and many now watch for us.

## Recycler Of The Month

Signs placed in the yards

In February, Cheryl and Susan chose 5 "recyclers of the month." (2 from W. Meadowbrook and 3 from Hopkins Park) These recipients received a \$20 gift card, an inside recycling bin (bins were donated by ECVC) and a sign for their front yard for one month.
